Our senior year was made a success by the efforts of many of our classmates and the expert planning of the Senior Advisory Board, composed of a representative from each American history class, student council, the Lion, the Tabulae, and the Corral.

Headed by George Drake, president; Anne Williams, vice-president; Marcia Jones, secretary; Lee Battles, boys' treasurer; and Shirley Johnston, girls' treasurer; we started our last year of high school with a record smashing sale of Christmas cards and "Deep Purple", the class party. The year finished as well as it started with the successful play, Our Town, the Senior Salute, the picnic, baccalaureate, commencement, and the marvelous prom at the Sheraton Hotel.

The guiding hands behind the ambitious board members were our sponsors, Miss Fry and Mr. Craven. We appreciate their assistance and understanding and give them sincere thanks for their help.

The governing body at LT is the Student Council. It works through the Representative Assembly to solve many problems of all kinds. The council has several committees which perform such duties as selling food at games, pep meetings, publicity, and social affairs.

The Corral again had a big year with close to 1,200 members. This makes it the largest student-run youth organization in the country. The Corral members came into the Corral seeing a new paint job, a refinished

dance floor, and many other improvements as a result of the fine work done by the members during the annual summer clean-up. The Program Committee did a bang-up job at the Corral in promoting pie-eating contests, balloon-blowing contests, and best of all, the LT pep hats which were a big success. Of course, the biggest event of the year was The Topper, the annual Corral show, in which the LT students really showed the public their fine talent.

Girls' Club began its activities this year with the introductory tea, "Tea Tune Show," and big and little sister party, "Alice in LT Land."

The activities of many of the interest groups were enlarged this year, and new groups were added. Have a Heart successfully handled many new drives, the bridge club, now Kard Klub, enlarged to include all card games, Frank

Morgan again this year gave his series of dancing lessons at our school under the joint sponsorship of the Girls' and Boys' Clubs. Other highlights were the Christmas Sing, the picnic, and the Girls' Club dance, 'Heartbeat Holiday."

Boys' Club

The Boys' Club Board did a good job this year under its president, Bill Brandenburg.

The dance given by the Boys' Club, the "Wigwam Wiggle," was a great success. The main project of the board was to start various interest groups in the school. As a result, we now have an Auto Club, Model Makers Club, the Cracker Barrel group, and many others. On top of this, a new and better Boys' Club Directory was printed and sold.

The enthusiasm and hard work of the Tab staff was instrumental in creating this 1952 Tabulae. Room 302 was nearly always occupied with people working on write-ups or lay-out or performing the innumerable odd jobs necessary to put out such a book. Edited by Nancy Futrell and associates Barb Gariepy and Ron Clarke, the book was greatly benefited by the guidance of Miss Ruth Keizer, faculty adviser.

The division pages in the book are the work of Barb Harman, our artist, Margie Hill, who

did the lettering, and John Werner, our photographer. The art work on the foreword page was done by Judy Drachman who was also a lay-out artist, as were Margie, Bob Faulkner, and Gill Dudley. Assistant photographers were Wayne Gloyer, Adele Parker, and Mary Lou Deal, and Bob Hill who was kind enough to lend us his time and experience.

Other workers on writing and lay-out were Sue Vandaveer, Ellen Strohm, Carol Krametbauer, Sally Ives, Nancy Drexler, Marilyn Mehlenbacher, Charles Nagel, Marcia Bunt, Joanne Heppes, Gwen Hull, Jack Munns, Jean Evans, Jackie Ericson, Jean Nelson, Nancy Steffen, Beth Mueller, Caroline Crouch, Mary Ellen Morrow, and Jody Pribble. The typing was done by Margaret Stachel, Katherine Jordan, Margie Boosted, Rose Fajdich, Alice Lightner, and Diane Wells.

We enjoyed working on this book and hope that you who look at it will enjoy it just as much.

This year's Lion staff had quite a reputation to uphold, for last year's paper was rated as one of the best in the country, winning Quill and Scroll, N.S.P.A., and George H. Gallup awards.

The staff of 48 put out the paper once every two weeks, contributed much material on school activities to the Citizen, sold ads, and printed pictures. Besides this there were also press conferences and contests throughout the year.

This year's staff showed unusual initiative in producing an excellent paper regardless of the hardship placed upon them by a change of printers—from the Citizen to Brookfield Enterprise. Associates to the editors, Lee Battles, Ray Andrews, and Fred Tuttle, were Bill Burke, sports editor, Ken Eckrote, headline editor, Louise Castle and Jane Toates, feature writers, Charlotte Ackerman, business manager, Joyce Griffin, advertising manager, Nancy Lamoreaux, exchange manager, Dick Wegner and John Werner, photographers, Ann Pouk, secretary, Audrey Long, circulation manger, and a staff of capable reporters. However, final credit for the completion of the Lion issues must be given to Miss Kathryn Keefe for her advice and guidance.

"To create, maintain, and extend throughout the home, school, and community, high standards of Christian character." Mindful of this purpose, Tri-Hi-Y members planned an interesting and worthwhile agenda. This program included worship, education, service, and social activities.

Through a bake sale and a taffy sale, the members raised \$50 for the World Service Fund. Other activities included a box supper with the girls' fathers, a dance with the Downers Grove Hi-Y, a dating panel, and a parent-youth clinic with the Hi-Y groups.

At one of their bi-weekly meetings a representative from the *Chicago Tribune* spoke to the girls about reporting, and at another the girls learned about atomic energy. A full-length movie was shown at still another meeting.

Hi-Y

Hi-Y had a very interesting and successful year under their capable officers. The boys raised enough money to make a contribution to the World Service Fund.

Meetings were held on the second and fourth Tuesdays of each month. In order to acquaint the boys with various occupations, speakers were obtained from several professions. These included Dr. Ackerman, a dentist, Mr. Dunn, a weatherman, M. Corneliuson, the personnel manager from Reynolds Metals, and a representative from the economic research department of Armour.

The boys also heard from Mr. Bennett on sportsmanship. Other activities included swimming at the Austin Town Hall, a basketball game with the Downers Grove Hi-Y, and the annual picnic. They also had a few joint meetings with the Tri-Hi-Y.

Returning to the policy of holding more than four meetings a year, Omega Epsilon Omega enjoyed some very interesting programs and also continued projects of value to the school. The members, girls on the

honor roll, heard a talk on travel in Europe presented by Miss Rathert and a demonstration of Christmas decorations.

The annual initiation brought many new members into the club. Under general chairman Carol Krametbauer, the girls worked on displays of colleges and vacations for the bulletin boards at State and Lake. Another worthwhile project was the raising of money for the three J.C. scholarships.

Operetta

Pooh-Bah Bob Scott, Armo Hanel
Pish-Tush Dick Callender
Yum-Yum Rachel Major, Diane Wells
Pitti-Sing Virgina Lindahl, Martha Ross
Peep-Bo Marilyn Mehlenbacher, Nancy Horton
Katisha Carole Kullen, Mary Jo Proescholdt
Nee-Bahn Peter Parshall

This year's operetta, the Mikado, was a mixture of romance and comedy. The setting was Japan. Its Oriental beauty in the form of costumes and props, the superb work of the principals backed up by a fine chorus, and the coaching of Mr. Dissinger, Miss Ehrich, and Miss Small made this one of the year's most successful productions.

The first act begins with Nanki-Poo (Don Galitz and Alan Phillips) fleeing from the court of his father the Mikado of Japan (Dave West and Russ DeLong) in order to escape marriage to an elderly lady, Katisha (Mary Jo Proescholdt and Carole Kullen). Assuming the disguise of a musician he falls

in love with the fair maiden Yum-Yum (Rachel Major and Diane Wells); but he is prevented from marrying her by her guardian Ko-Ko (Sal Grisaffe and Dick Miller), who wishes to marry her himself. However, Ko-Ko has been condemned to death for flirting. Ko-Ko is then made Lord High Executioner, which position prevents his death.

The Mikado sends word for an execution and Nanki-Poo offers himself because of his grief. The last curtain finds Katisha tricked into marriage to Ko-Ko, Yum-Yum and Nanki-Poo securely married, and Nanki-Poo revealed as the Mikado's son.

Senior Class Play

This year's senior play was an excellent presentation of Our Town by Thornton Wilder, directed by Mr. Frank Bacon. At the beginning of the play, which takes place in 1903, the Stage Manager (Bruce Baxter) disclosed the history of Grovers Corners, New Hampshire, and described the citizens living in this typical American town.

In the first act, scenes from daily life were enacted by Dr. and Mrs. Gibbs (Larry Forward and Merry Cole) and their children, George (Bob Hoff) and Rebecca (Lydia Voss), and by Mr. and Mrs. Webb (Fred Tuttle and Deborah Bond) and their children, Wally (Bill Krafft) and Emily (Virginia Rhoads). The romance and the wedding of George Gibbs and Emily Webb were portrayed in the second act. The third act took place in a cemetery on a hill overlooking Grovers Corners. It described the effect of sorrow on human life as exemplified by the death of Emily.

The cast included David Collins, Alan Cole, Scott Walker, Shirley Drom, Jack Munns, Carol Krametbauer, Don Creelman, Marilyn Foster, Ralph Baehr, Byron Bennett, Van Ooms, Jim Sturrock, Earl Ryba, Richard Sweeney, Katherine Haskell, Bonnie Fetzner, Dave Sibley, Dick Van de Houten, and Duane Batista.

Junior Class Play

On the twelfth of October the Junior class skilfully presented Our Hearts Were Young and Gay, written by Cornelia Otis Skinner and Emily Kimbrough and directed by Mr. Frank Stacey.

The play described the first European voyage of Miss Skinner (Carol Enz) and Miss Kimbrough (Barbara Reuter). It was filled with many humorous incidents, which began when Mr. and Mrs. Skinner (Bob Scott and Judy Bailey) wished the girls "Bon Voyage." Before the boat had docked, Emily had succeeded in nearly falling overboard, and both girls had become enamored of two American travelers (Allen Haskell and Milton Simantel). They had met two interesting English girls (Kay Line and Nancy Holmes), and to put a royal finish to the trip Cornelia had caught the measles. However, she was maneuvered ashore without being detected by any of the ship's personnel (John Murray, Fred Droege, Jean Ann Taylor, Frank Cicero, and Kay Bow-

In Paris Cornelia and Emily had many experiences involving characters played by Ann Carter, Dottie Lingeman, Dick Callendar, and Jim Page. These adventures helped Cornelia to take up a career as a monologist when she returned home.

Sparked by spectacular performances by George Drake and Tom Racine, a well-balanced cross country squad piled up a record not to be forgotten soon. Coach Max Armer's distance men easily captured the conference title plus the district championship and fought their way downstate to a meritable runner-up position.

Except for the competitors in the state tourney, all of the would-be Lion conquerors met with defeat. Even Bloom, one of the top-ranking teams in the state, bowed to the superiority of the LT runners as La Grange won 25 to 36.

Six perfect scores were chalked up by the Armermen, including an eight-way tie for first place in one of the meets when the entire Lion team hit the wire simultaneously.

In conference runs little competition could be found, and the Lions compiled a new record low number of points for the conference.

Downstate the team was greeted by cold winds and below freezing temperature but came through in fine style and, led by George Drake's seventh place, arrived home with the second place trophy.

Varsity Football

This year's varsity football squad did a fine job in securing second place in the conference despite pre-season ratings which conceded them fourth position.

After several weeks of hard practice the Lions, who played no non-conference games this season, opened their schedule with their age-old rivals, Hinsdale. La Grange was handicapped by the experience of a strong Red Devil team with two games under its belt and also by the loss of Bill Linsky. A pass in the second quarter from Bennett to McKown saved the Lions from a shutout, Hinsdale winning, 20-7.

Next week the Lions played host to Glenbard. La Grange, who consistently played their better games on rainy days, played like a championship team against Glenbard, scoring in all but the third quarter, to win 26-0.

Against R-B, La Grange showed little of the class they exhibited in their win over Glenbard the previous week, being almost lacka-

daisical in their play throughout the game. They finally settled down and won, 13-6.

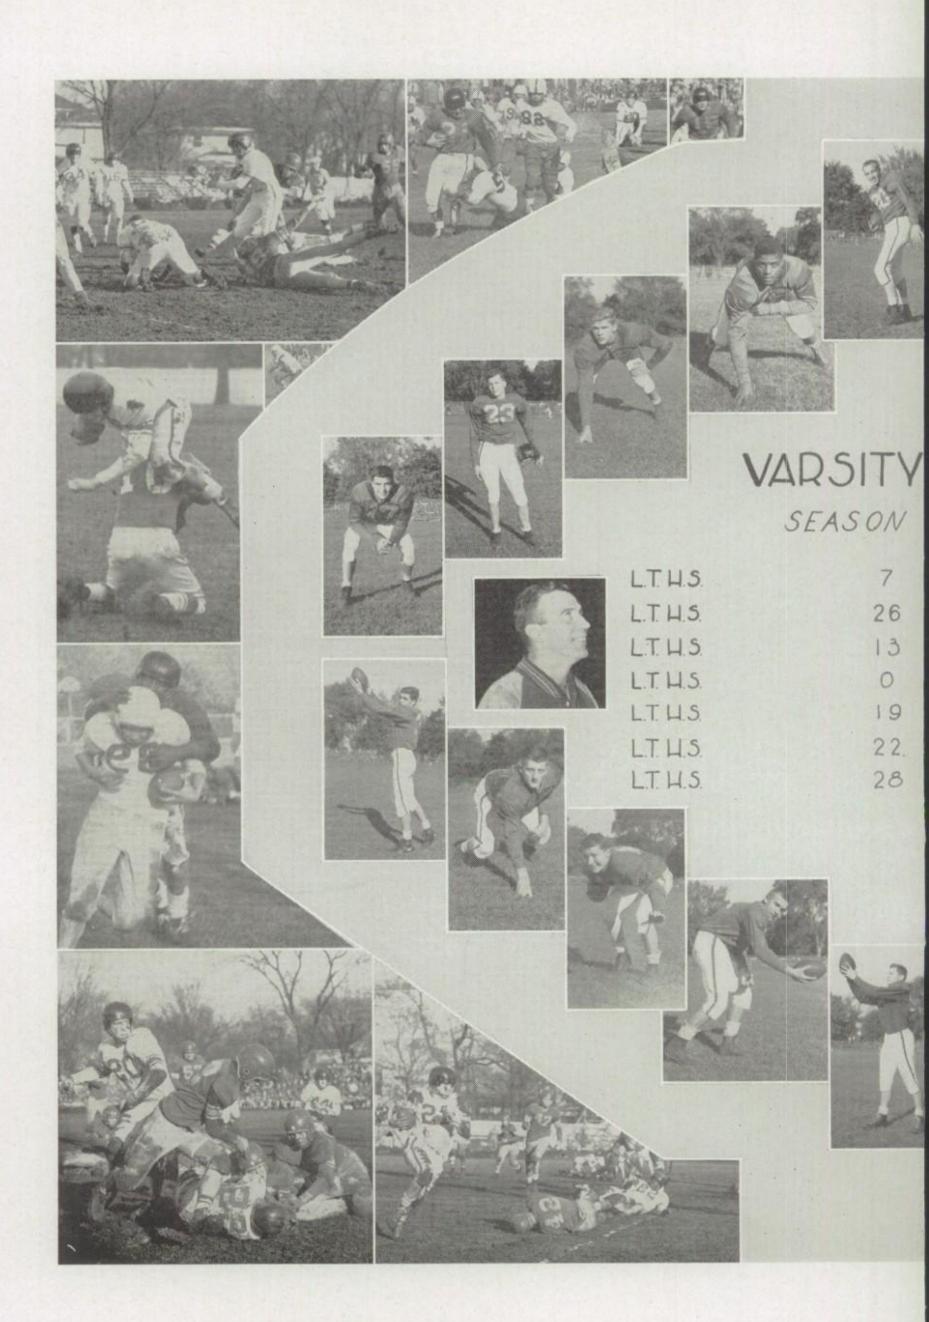

On a wet homecoming day before 2,500 fans, the Lions battled Maine, their perennial foes, to a standstill until a sensational pass by French, late in the fourth quarter, put the Demons ahead to stay in a thrilling 6-0 finish. With no chance for the title left, the Lions relaxed against Downers. Stunned by a D.G. tally early in the second half, La Grange, sparked by Bob McKown, who scored two T.D.'s, added another in the fourth quarter by Bennett, to win 19-7.

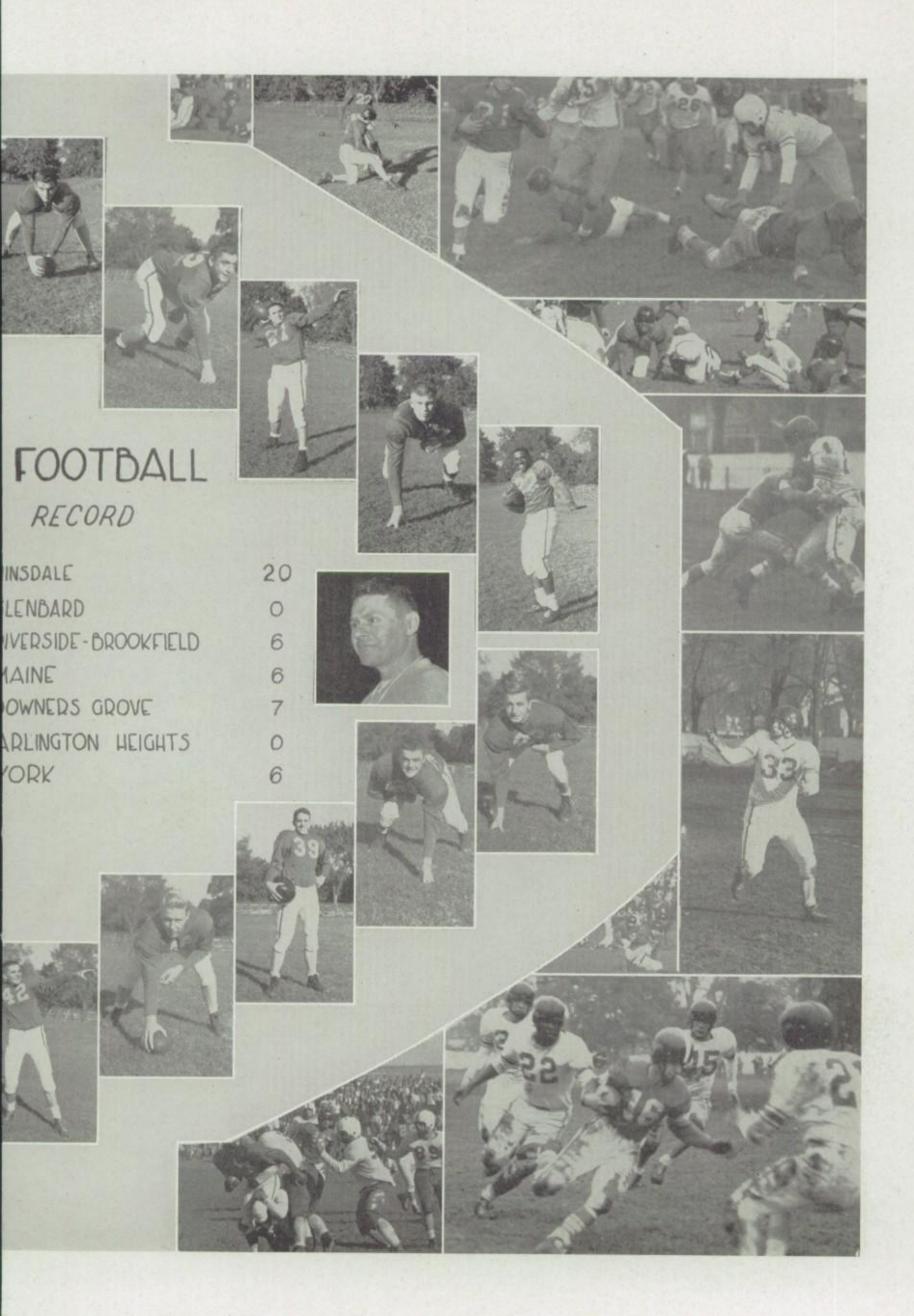

A small, cold crowd of LT rooters watched while the Lions snowed under Arlington Heights, 22-0. An amazing fumble recovery by Bide Thomas, who converted it into a T.D., highlighted the game.

The Lions, playing one of their better games, smeared York 28-6, while Bennett starred. Although the Lions didn't win the title, they made a fine record of 5-2. All-conference honors went to Ray Esche, John Blomberg, By Bennett, and Leon McRae.

For the fifth consecutive year, Coaches Deason and Burghardt led the Cub team to the conference championship. To add honor to glory, this has been the team's second undefeated year.

The first game of the season, with Oak Park on our home field, ended in a 0-0 tie. The second game found the Cubs in better shape, when they played the Hinsdale Imps. Hinsdale drew first blood with a drive over the goal in the second quarter, but a long pass to the end zone by our team soon evened up the score. Late in the tense fourth quarter Bill Caffey broke the tie with a run around right end, putting our team ahead and winning the game, with a final score

of 12-6. The next two conference games gave the team easy victories over Glenbard and Riverside, with scores of 26-0 and 32-2 respectively. Long plays were the order of the day at our Homecoming game with Maine, which we won 18-0. Winding up the season, we defeated Downers 27-7, and beat Arlington 19-2 in the coldest game of the year. The final game, played in early winter mud, saw York routed 20-6.

"They kept getting better as the season progressed — we had a very good Frosh-Soph football team by the end of the year," observed Coach Russ Deason. We can readily agree with that, Coach!

Lack of experienced wrestlers cost Max Armer's mat men many meets early in the season, but as they gained experience, they went on to win the last three meets of the regular season. The only letterman back was Joe Alderdyce, who won the sectional championship and qualified for the state meet where he was beaten in the first round. Next year should prove a good one, for many of the underclassmen have gained much needed experience. The weight classes were as follows: 103 — Jack Clesson; 112 — Larry Booth; 120 — Bill Skidmore; 127 — John Vaughan; 133 — Parker Courtley and Fred Bluder; 138 — Tom Van Horn; 145 — Joe

Alderdyce; 154 — Tony Guzzardo; 165 — Jim Sporer; Heavyweight — Bob Kamerschen.

Guided by Les Glick's excellent coaching, the Frosh-Soph basketball team again chalked up a West-Suburban Conference championship. The team went undefeated again this year to roll up the total consecutive games won to forty. The Frosh-Soph rolled over most teams easily this year, but were confronted with a few tough ones, mainly New Trier, York, and Oak Park. On the first away game of the year, the Cubs came from behind to beat New Trier 52-51. The Oak Park game proved to be the real thriller, however. When the score was tied

46-46 with only 10 seconds remaining, Chuck Sedgwick controlled the ball and hit a set shot with only 5 seconds left. That was the game, 48-46.

The team was made up of able guards, Chuck Sedgwick, Willie Johnston, and Joe Lawlor. Forwards included Harold Caffey, Ron DeSantis, Wayne Kennedy. David Mc-Keag, the leading scorer, was the real mainstay at center. Others who added strength were Bob Taube, John Pendexter, and Russ Blake.

A bunch of eager but inexperienced ball-players composed the 1951-1952 varsity squad and were expected to cause only minor irritation throughout the year. However, Coach Greg Sloan guided the Lions through a prosperous 17-3 season climaxed by an explosive effort in which the coveted regional title was captured. The team gave a view of big things to come as they overwhelmed a weak Batavia squad 91-26. New Tier and Argo were next to fall. A supposedly tough Maine outfit supplied LT's first conference victory 60-42. The next evening the Sloanmen invaded Joliet and absorbed their first set-back of the sea-

son 51-50.

Disaster struck the Sloanites during the next two weeks, as Moline and Riverside completed the losing column for La Grange 56-60 and 53-50. The defeat of Downers Grove and a nine point edging of a tough York quintet rang down the curtain on the first round of W.S.C. play. Again the Lions dug in their claws to defeat the Maine Pioneers. Then Hinsdale, La Grange's perennial jinx, held a

bewildered LT squad to a two-point win. From then on LT was unstoppable as they overwhelmed the final five contenders to win the West Suburban Conference title.

After defeating Downers Grove and Argo in preliminary regional play, the LT five won the hard-fought final game from Morton 52-51, thus winning the third Regional title in LT history. Although the squad was beaten 62-61 in Sectional play, everyone was proud and happy to see the two-year old question of who was better, Morton or La Grange, decided in our favor.

Track

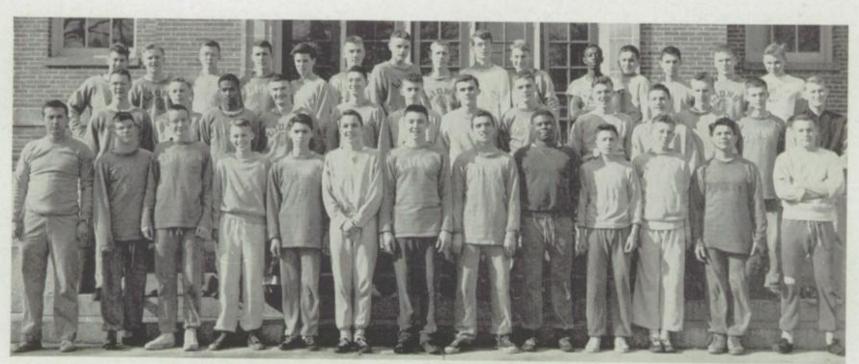

The Varsity Track squad under the able coaching of Russ Deason, Max Armer, and Bert Kraus are off to another good year. The first meet was the Naperville Relays in which we lost to Bloom by 13/4 points. However, the relay team showed its heels to the other contenders, winning 3 out of 4 varsity relays. The twenty lap relay team set a new record for the track. The next big meet was the Oak Park Relays, the largest indoor high school track meet in the United States. Last year we had won it by a close margin, and this year it was our duty to defend it, even though we were underdogs, but win it we did, winning 3 out of 4 varsity relays. The 16 lap relay team, composed of Tom Racine, Dave Sackett, Ken Segner, and George Drake, set a new record for the track. It will be difficult to equal last year's excellent record, since we won the conference and were second in the state. Ben Johnson, back from last year, should prove to be one of the best quarter-milers in the state, having been third in the state as a Junior last year. George Drake, another man back from downstate, should prove tough to beat in the half mile. Leon McRae, who also went downstate last year, will be back to throw the discus.

All of these men, plus Richard Caffey
—broadjump; Harold Caffey — 1/4 mile;
John Clay — sprints; Richard Williams
— high jump; Kent Ramm — pole vault;
Tom Thostesen — hurdles; Ted Caiazza
— shot put; Lorenzo Topps — sprints;
and Dale Wilkins — relays, should
make the Varsity Track squad formidable contenders for the state title.

The Frosh-Soph Track squad has already won the Naperville Relays this year and looks like a strong conference contender.

The LT varsity nine will open its 1952 conference play April 7 at Downers Grove. Last year our varsity placed second in the conference. This year should prove a tough one for the Lions since the only lettermen coming back are Nate Smith, Howard Boykin, Bill Burke, Ron Clarke, Bill Redis, Jim Sturrock, and Elwaine Hardtke. Most of these boys saw only minor action during the 1951 season.

At first base Coach Glick will use either Chester Baker or Ron Clarke, while short and second base are being handled by the Govednik twins, Don and Dave. Howard Boykin, who saw plenty of action last year, will probably hold down the first base job. Catcher will be Nate Smith, who caught some last year. Likely choices for the outfield are Bill Redis, Bill Burke, Edgar Fields, and Ted Swanson.

George Plesha and Bob Kamerschen will probably handle mound chores, with Elwaine Hardtke and Wayne Kennedy as relief pitchers.

If the LT nine can get by Downers Grove and York, who apparently have the toughest teams to defeat in the conference, the sailing will be smoother.

Tennis

With a difficult schedule facing him, Coach Frank Allen is confronted by the serious problem of welding a winning tennis team. With the exception of Dick Cole, star singles player, all of last year's team, which captured fifth place in the state meet on a point basis, are back this year, bigger and better than ever.

First singles position is a toss-up between Bob Hoff and John Vaughan. The remaining singles position will be occupied by Dick Herberts. The contenders for the doubles position, who are all fine players, are Don Sessions, Jim Groeser, Van Ooms, Chuck Seibert, Ron Prater, and Bill Vaughan.

The team has already beaten Leyden, Wheaton, and Proviso, losing only to Blue Island. The boys may not win the conference, but they'll be fighting every bit of the way. When that District Meet at RB rolls around, La Grange will bear watching. The Frosh-Soph group has a large squad of prospective stars and should have a good season.

About fifty boys came out when the call was given for spring tryouts for the golf squad. Many old members of last year's squad returned. A very large part of the interest came, however, from the underclassmen. This indicates that the golf prospects will be bright next year.

The team will have about 12 matches, district and conference tournaments. Besides, a Frosh-Soph tournament will be held during the latter part of May for those boys unable to make the squad.

The team's chances for a good season are fair. Alan French, Bill Brandenburg, Larry Booth, Don Pankow, Dave Anderson, Wayne Schneider, all members of last year's squad, will be the nucleus for this year's team. Jim Reagan, a new boy from Texas, will add strength to the team this year.

This year's talented, peppy cheerleaders have really livened up the school spirit with their rousing cheers at football and basketball games. Under the capable leadership of Miss Farr as sponsor and Audrey Graber as captain, they have worked as a well-

organized group. This is the first year that the cheerleaders have had a Junior as a captain and the first year that this was an elected instead of an appointed position.

A new plan was put into effect whereby the frosh-soph and var-

sity squads practiced together instead of separately as they have formerly done. They worked out many of their own cheers and movements. The girls also set down definite qualifications for earning a cheerleading letter.

Under the efficient and enthusiastic leadership of its officers G.A.A. had a busy and successful year. All events were well attended by the record number of girls included in this year's membership.

Among the many social events were a square dance and a Christmas party.

Each class had teams entered in the basketball tournaments, which wound up eighteen weeks of activity in that sport. Fencing, which was offered as a G.A.A. activity for the first time, proved to be very popular. Every girl had fun participating in the sport which she enjoyed most.
